OBJECTIVE

To elevate the quality of my craft. To learn and become better at what I do. To be able to apply the skills I've acquired thus far, and learn more.

WORK EXPERIENCE

Pandalivery (Dec. 2019 - Apr. 2020)

Internship

I was tasked to develop the Content Management Console for a proposed startup. The workload primarily involved development of a full-stack Web app and API to support the mobile client-side of the platform.
