OBJECTIVE

To elevate the quality of my craft. To learn and become better at what I do. To be able to apply the skills I've acquired thus far, and learn more.

WORK EXPERIENCE

LGU Tagkawayan (Dec. 2020 - present)

Full-Stack Web Developer / IT Staff

I was appointed mainly on the HR department. I developed full-stack web systems that helped the department better manage its personnel. I was also tasked to help the IT department with its equipment repair and maintenance responsibilities for all of LGU offices.

Pandalivery (Dec. 2019 - Apr. 2020)

Internship

I was tasked to develop the Content Management Console for a proposed startup. The workload primarily involved development of a full-stack Web app and API to support the mobile client-side of the platform.

AFFILIATIONS

2016-2020 - Member, TACTICS Department of Computer Studies, Ateneo de Naga University

2019-2020 - Member, Ateneo Innovations Center (AIC), Ateneo de Naga University
